

HOW TO REGISTER YOURSELF ON OUR E-SHOP

- 1.** Click on the login menu in the top right corner and continue with the new registration.

A screenshot of the Solarity e-shop website. The top navigation bar includes links for MODULES, INVERTERS, STORAGE, ACCESSORIES, EV CHARGING, MOUNTING SYSTEM, and CONTACTS. There are also language and currency selectors (UK, EUR) and a LOG IN button. A search bar is visible with the text "SEARCH...". Below the navigation, there is a large banner with the text "ALL ABOUT MOUNTING SYSTEMS PRODUCT". On the right side, a login form is open, showing fields for "Login email" (E-mail) and "Login password" (Password), with a "Forgotten password" link. There are buttons for "NEW REGISTRATION" and "LOG IN".

- 2.** In the second step fill out all required fields consisting of four parts.

- Registration (your e-mail that will be used as login name, your chosen password, name and surname and phone number)
- I am section – This part of the form helps us to differentiate between companies and natural persons without VAT or ID number.
- Invoice data – Necessary data for creating tax documents such as invoices.
- Your requests – Your preference of brands or items.

Important!!!

- If you pick Installing company, you must have a valid international VAT number. Without it, you will not be able to finish the registration.
- Filling out your requirements will help us customizing our offers according to your demands.
